

## CLASSROOM MANAGEMENT

The Instructional Performance Evaluation and Growth System (IPEGS) includes the Performance Standards 8 on managing the learning environment which assesses teacher performance relative, but not limited to the following indicators: 1) Effective classroom rules and procedures; 2) Discipline and safe physical setting; 3) Fairness, courtesy, respect, active listening and enthusiasm for learning; 4) Engaging students within the learning environment; 5) Encourage student participation; etc.

The official discipline plan followed by Miami-Dade County Public Schools to manage student behavior in the Adult K-12 program is the *Code of Student Conduct*.

Staff is reminded that School Board rule 6Gx13-5D-1.07 prohibits the use of corporal punishment as a disciplinary measure.

More information can be found in the IPEGS document.
